Members of the Governing Body & Administration:

We are pleased to confirm our understanding of the services we are to provide the Township of Lower for the year ended December 31, 2015. We will audit the regulatory basis financial statements, including the related notes to the regulatory basis financial statements of the Township of Lower as of and for the year ended December 31, 2015. In addition, we will assist you in preparing the following additional information that will not be subjected to the auditing procedures applied in our audit of the financial statements:

- Assistance in the preparation of the 2016 Local Municipal Budget from information provided to us by officials of the Township of Lower.
- Assistance in the preparation of the 2015 Annual (Unaudited) Financial Statement utilizing the post-closing trial balances and analyses prepared by the Chief Financial Officer of the Township of Lower.
- Assistance in the preparation of the 2015 Financial Statements and related notes utilizing the post-closing trial balances and analyses prepared by the Chief Financial Officer of the Township of Lower.
- Assistance in the preparation of the 2015 Annual Debt Statement.

We have also been engaged to report on supplementary information other than Required Supplementary Information (RSI) that accompanies the Township of Lower's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and will provide an opinion on it in relation to the financial statements as a whole:

- Schedules of Expenditures of Federal & State Awards (if applicable).
- Supplemental information and schedules required by the NJ Division of Local Government Services.

The following information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that information:

- Other Comments and Recommendations

Separately, we will also prepare and issue the following reports and documents as required by the Division of Local Government Services:

- Court Report
- Dog Report
- New Jersey Audit Questionnaire

### **Audit Objectives**

The objective of our audit is the expression of an opinion as to whether your financial statements are fairly presented, in all material respects, in conformity with the regulatory basis of accounting prescribed by the New Jersey Division of Local Government Services and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements taken as a whole. The objective also includes reporting on:

Internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

If applicable, internal control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996, OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and New Jersey OMB 15-08.

The *Government Auditing Standards* report on internal control over financial reporting and compliance and other matters will include a paragraph that states that the purpose of the report is solely to (1) describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The OMB Circular A-133 report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the Single Audit Act Amendments of 1996, The Provisions of OMB Circular A-133 and New Jersey OMB 15-08, if applicable; and the Requirements of Audit promulgated by the New Jersey Division of Local Government Services and will include tests of the accounting records, a determination of major program(s) in accordance with OMB Circular A-133 and New Jersey OMB 15-08, if applicable, and other procedures we consider necessary to enable us to express such opinions and to render the required reports. Since the entity's financial statements are presented in accordance with the regulatory basis of accounting, our opinion will be adverse for presentation in accordance with accounting principles generally accepted in the United States of America. If our opinion on the financial statements or, if applicable, the Single Audit Act Compliance opinions based on the regulatory basis, is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or to issue a report as a result of this engagement.

### **Audit Procedures—General**

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the

reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also require certain written representations from you about your responsibilities for the financial statements; schedules of expenditures of federal and state award programs, if applicable; federal and state award programs, if applicable; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

#### **Audit Procedures—Internal Controls**

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by OMB Circular A-133 and New Jersey OMB 15-08, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal and state award program, if applicable. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to OMB Circular A-133 and New Jersey OMB 15-08, if applicable.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and OMB Circular A-133 and New Jersey OMB 15-08.

### **Audit Procedures – Compliance**

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of your compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

OMB Circular A-133 and NJ OMB 15-08 require that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the OMB Circular A-133 Compliance Supplement and NJ OMB 15-08 for the types of compliance requirements that could have a direct and material effect on each of your major programs, if applicable. The purpose of these procedures will be to express an opinion on your compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to OMB Circular A-133 and NJ OMB 15-08.

### **Other Services**

We will also assist in preparing the financial statements, schedules of expenditures of federal and state awards (if required), and related notes in conformity with the regulatory basis of accounting prescribed by the New Jersey Division of Local Government Services, OMB Circular A-133 and NJ OMB 15-08 based on information provided by you. These non-audit services do not constitute an audit under Government Auditing Standards and such services will not be conducted in accordance with Government Auditing Standards.

### **Management Responsibilities**

Management is responsible for (1) establishing and maintaining effective internal controls, including internal control over compliance, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts and grant agreements. You are also responsible for the selection and application of accounting principles; for the fair preparation and presentation of the financial statements, schedules of expenditures of federal and state awards, if applicable, and all accompanying information in conformity with the Regulatory Basis of Accounting promulgated by the Division of Local Government Services in the State of New Jersey; and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities also include identifying significant vendor relationships in which the vendor has responsibility for program compliance and for the accuracy and completeness of that information. Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud, affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or

suspected fraud, affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements, or abuse that we report. Additionally, as required by OMB Circular A-133 and NJ OMB 15-08, it is management's responsibility to follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan. The summary schedule of prior audit findings should be available for our review when we begin our field work.

You are responsible for identifying all federal and state awards received, if applicable, and understanding and complying with the compliance requirements and for the preparation of the schedules of expenditures of federal and state awards (including notes and noncash assistance received) in conformity with OMB Circular A-133 and NJ OMB 15-08. You agree to include our report on the schedules of expenditures of federal and state awards in any document that contains and indicates that we have reported on the schedules of expenditures of federal and state awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal and state awards that includes our report thereon or make the audited financial statements readily available to intended users of the schedules of expenditures of federal and state awards no later than the date the schedules of expenditures of federal and state awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedules of expenditures of federal and state awards in accordance with OMB Circular A-133 and New Jersey OMB 15-08; (2) you believe that schedules of expenditures of federal and state awards, including its form and content, are fairly presented in accordance with OMB Circular A-133 and New Jersey OMB 15-08; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedules of expenditures of federal and state awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with the regulatory basis of accounting prescribed by the Division of Local Government Services. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon, or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with the New Jersey Regulatory Basis of Accounting; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with the New Jersey Regulatory Basis of Accounting; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

You agree to assume all management responsibilities relating to the financial statements, schedules of expenditures of federal and state awards, if applicable, related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedules of expenditures of federal and state awards, and related notes and that you have reviewed and approved the financial statements, schedules of expenditures of federal and state awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the non-audit services

by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

### **Engagement Administration, Fees, and Other**

We understand that your employees will provide all documentation we request and information selected by us for testing.

At the conclusion of the engagement, if applicable, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audits.

We will provide copies of our reports to the Municipality and the Division of Local Government Services, however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Ford, Scott & Associates, L.L.C. personnel. Furthermore, upon request, we may provide photocopies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. fund balance in the Township Budget, it is the policy of the Township to restrict usage of utility fund balance to the utility budget.

However, no particular formality is required for Work Orders and they may take the form of ordinary letters or oral directives from the CLIENT. All the terms and conditions of this Agreement shall apply to each Work Order as if set forth at length therein.

Each Work Order shall contain a certificate, from the CLIENT's authorized representative, of the availability of funds for this purpose and shall be accompanied by a certified copy of the CLIENT's Resolution authorizing the Work.

e. ENGINEER is retained as an independent contractor and not as an employee of the CLIENT.

f. e. Designate in writing a person to act as CLIENT'S representative with respect to the services to be rendered under this Agreement. Such person shall have complete authority to transmit instructions, receive information, interpret and define CLIENT'S policies and make decisions with respect to the Work.

b. If there are material modifications or changes in the extent of the services or in the time of performance of ENGINEER's services, the various rates of compensation and the time of completion of the services shall be equitably adjusted appropriately.

c. This Agreement shall cover the period from January 1, 2016, through December 31, 2016.

#### SECTION 5 - PAYMENTS TO ENGINEER

a. CLIENT shall pay ENGINEER for Basic Services rendered on a time and materials basis under ENGINEER's 2016 Rate Schedule, attached hereto as Exhibit B.

b. A not to exceed amount shall be established by mutual agreement for each work order.

c. The not to exceed amount shall not be exceeded without the express written authorization of CLIENT. If at any time the ENGINEER determines that, without the fault of the ENGINEER, the not to exceed amount will not be sufficient to complete the services, he shall give notice of the same to the CLIENT, accompanied by his estimate of the additional funding necessary to complete such services, whereupon the CLIENT shall have the option of either providing the additional funds necessary for the completion of the services (in which case the Work Order shall be amended by mutual agreement to set forth the additional amounts) or reducing the further services to be provided by the ENGINEER consistent with the remaining funds in the not to exceed amount (in which case the Work Order shall be amended by

mutual agreement to set forth the revised scope of work).

d. For Additional Services. CLIENT shall pay ENGINEER for additional Services rendered under Section 2 as follows:

e. For Additional Services rendered under Section 2(a) on the basis of ENGINEER's Hourly Rate Schedule in effect at the time the services are rendered, and the actual hours of services rendered by any employees assigned to the Project. The ENGINEER may also be contracted and paid on a lump sum basis for specific projects, as agreed upon by the CLIENT.

f. Special Consultants. For services and reimbursable expenses of special consultants employed by ENGINEER, the amount billed therefore times a factor of 1.10.

g. For Reimbursable Expenses. In addition to payments provided for in Paragraph 5(d), CLIENT shall pay ENGINEER the actual costs of all Reimbursable Expenses incurred in connection with Additional Services during the project.

h. The terms ENGINEER's Hourly Rate Schedule and Reimbursable Expenses shall have the meanings assigned to them in Paragraph 5(l) hereinafter.

i. Times of Payments -- ENGINEER shall submit monthly statements for Basic and Additional Services rendered (based upon a time and materials summary or percent complete for projects contracted on a lump sum basis) and for Reimbursable Expenses incurred. CLIENT shall make prompt monthly payments in response to ENGINEER's monthly statements.

j. Other Provisions Concerning Payments If CLIENT fails to make any payment due ENGINEER for services and expenses within thirty (30) days after the date of the ENGINEER's bill therefor, the amounts due ENGINEER shall include a charge at the rate of 1 1/2% per month from said thirtieth day, and in

addition, ENGINEER may, after giving seven (7) days' written notice to CLIENT, suspend services under this Agreement until he has been paid in full all amounts due him for services and Reimbursable Expenses.

k. In the event of a termination under paragraph 6(a) of this Agreement, ENGINEER will be paid for all unpaid Basic Services, Additional Services and unpaid Reimbursable Expenses, to the date of termination.

l. **Reimbursable Expenses.** Reimbursable Expenses mean the actual expenses incurred directly or indirectly in connection with the Project for: transportation and subsistence incidental thereto; telephone calls and telegrams; postage and delivery charges; photographic and photocopying expenses; and reproduction of reports, drawings, specifications, and other Work-related items as are set forth in the "Expenses" Schedule of Exhibit B.

m. ENGINEER's Hourly Rate Schedule. ENGINEER's 2016 Rate Schedule is set forth in Exhibit B.

#### SECTION 6 - GENERAL PROVISIONS

a. **Termination** -- Either the CLIENT or the ENGINEER may terminate this Agreement without advance notice and effective immediately for cause which, on the part of the ENGINEER shall be for breach of the terms and conditions of this Agreement, and, on the part of the CLIENT, shall be for failure to make the payments under the terms of this Agreement; or, otherwise, with or without cause, upon ten (10) days advance written notice to the other party.

b. **Reuse of Documents** -- All documents prepared and delivered by ENGINEER pursuant to this Agreement are instruments of service in respect of the Work ordered. They are not intended or represented to be suitable for reuse by CLIENT or others on extensions of the Work or on any other project. CLIENT shall not reuse said documents without the express written

consent of ENGINEER. Any such reuse shall be at the sole risk of the CLIENT.

c. **Project Records** -- As used in this Agreement, the term, "Records", shall include plans, reports, documents, field notes, work product, or other items generated or obtained for the Project by ENGINEER. Only original signed and sealed documents and drawings shall constitute Records. Unsigned or unsealed copies, prints, CADD files, computer programs, magnetic deliverables and/or any other media shall not be considered Records. If there is a discrepancy between the signed and sealed Records and any other documents or drawings, the Records shall prevail.

d. Records which are instruments of service deliverable under this Agreement shall become the property of the CLIENT upon payment for all the Work. Originals of Records shall remain in the possession of the ENGINEER. The CLIENT shall be entitled to additional copies of all Records within a reasonable period of time after forwarding a written request to the ENGINEER, provided that the CLIENT has paid the ENGINEER for all the Work. ENGINEER shall be compensated for the reasonable costs of research and reproduction of the additional copies of the requested Records.

e. This Agreement is to be governed by the laws of the State in which the services are to be performed.

f. CLIENT and ENGINEER each binds himself and his partners, successors, executors, administrators, assigns and legal representatives to the other party to this Agreement and to the successors, executors, administrators, assigns and legal representatives of such other party, in respect to all covenants, agreements and obligations of this Agreement.

g. Neither CLIENT nor ENGINEER shall assign this Agreement without the express written consent of the other, except as stated in Paragraph 6(f) and except to the extent that the effect of this limitation may be restricted by law.

Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. Nothing contained in this paragraph shall prevent ENGINEER from employing such independent consultants, associates and subcontractors as he may deem appropriate to assist him in the performance of the Work hereunder.

h. Nothing in this Agreement shall be construed to give any rights or benefits hereunder to any one other than CLIENT and ENGINEER.

i. Estimates of Cost -- Since ENGINEER has no control over the cost of labor, materials or equipment, or over contractor(s) methods of determining prices, or over competitive bidding or market conditions, his opinions of estimated Project cost or construction cost are to be made on the basis of his experience and qualifications and represent his professional judgment as an engineer, but ENGINEER cannot and does not guarantee that such cost will not vary from opinions of estimated cost prepared by him.

j. Notwithstanding anything else to the contrary herein, the liability of either party to the other under this Agreement (whether by reason of breach of contract, tort or otherwise, including under any applicable indemnification provisions) shall be limited to the greater of: (a) the amount of professional service fees paid to the ENGINEER under this Agreement; or (b) the amount of liability insurance posted by the CLIENT at the time of execution of this Agreement. ENGINEER and the CLIENT hereby waive their respective rights to any and all claims against each other for special, indirect or consequential damages.

#### SECTION 7 - EXHIBITS AND SPECIAL PROVISIONS

The following Exhibits are attached to and made a part of this Agreement:

a. Further Description of Basic Services

(Exhibit A).

b. The ENGINEER's Schedule of Hourly Rates and Expenses (Exhibit B).

c. Mandatory Affirmative Action Clause (Exhibit C).

d. This Agreement is subject to the following special provisions -- The mandatory language of applicable equal employment opportunity and affirmative action laws and regulations promulgated by the federal and state governments having jurisdiction are incorporated by reference into this Agreement. ENGINEER agrees to afford equal opportunity in performance of this Agreement in accordance with an affirmative action program approved by the appropriate authorities.

e. Insurance -- ENGINEER shall carry the following insurance during the performance of its services and shall provide certificates of insurance evidencing its coverage, prior to starting the Work. The certificates of insurance shall provide for advance notice to the CLIENT of any subsequent modification or cancellation of the coverages.

i. Worker's Compensation Insurance with statutory coverage and \$1,000,000 employer's liability coverage.

ii. Commercial General Liability Insurance with aggregate annual limits of \$1,000,000.

iii. Automobile Liability Insurance with aggregate annual limits of \$1,000,000.

iv. Professional Liability Insurance with aggregate annual limits of \$1,000,000.

#### SECTION 8 - ENTIRE AGREEMENT

This Agreement (consisting of Pages 1 to 6, inclusive), together with the Exhibits identified in Section 7 above), constitutes the entire agreement between CLIENT and ENGINEER and supersedes all prior written or oral understandings. This Agreement and said

Exhibit may only be amended, supplemented, modified or cancelled by the terms of a mutually agreed written instrument. In case of any inconsistency between the terms of a Work Order and this Agreement, the terms of this Agreement shall prevail, unless the terms of the Work Order expressly provide that the terms of the Work Order are to prevail.

SECTION 9 - NON-FAIR AND OPEN CONTRACT CONTRIBUTION PROHIBITION

Political contribution Disclosure. This contract has been awarded to ENGINEER based on the merits and abilities of ENGINEER to provide the good or services as described herein. This contract was not awarded through a "fair and open process" pursuant to N.J.S.A. 19:44A-

20.4 *et seq.* As such, the undersigned does hereby attest that ENGINEER, its subsidiaries, assigns or principals controlling in excess of 10% of the company has neither made a contribution, that is reportable pursuant to the Election Law Enforcement Commission pursuant to N.J.S.A. 19:44A-8 or 19:44A-16, in the one (1) year period preceding the award of the contract that would, pursuant to P.L. 2004, c.19, affect its eligibility to perform this contract, nor will it make a reportable contribution during the term of the contract to any political party committee in the *municipality* if a member of that political party is serving in an elective public office of that *municipality* when the contract is awarded, or to any candidate committee of any person serving in an elective public office of that *municipality* when the contract is awarded.

Honorable Michael Beck and Council  
Township of Lower  
2600 Bayshore Road  
Villas, NJ 08251

Dear Mayor Beck and Council,

Volunteers in Medicine will soon be 14 years old – 14 years of Neighbors Caring for Neighbors. And, we could not have done it without the Township of Lower. In the Clinic's early days, we initiated the **Municipal Partners Program**. This program was designed to create a permanent symbiotic relationship between the clinic and all sixteen county municipalities; you are a valued partner in this program.

As VIM continues to provide health services to the needy residents of your community, we ask that your annual budget include a partnership donation of \$7,690 to Volunteers in Medicine of Cape May County.

VIM believes that a measure of any society or community is how its citizens care for those in need; Cape May County and the Township of Lower in particular, is a shining example of neighbors caring for neighbors. Thank you for your continued support and leadership on this very important issue.

# Volunteers In Medicine

O F C A P E M A Y C O U N T Y

*Neighbors caring for neighbors*

Volunteers in Medicine of Cape May County (VIM) is a free health care clinic, incorporated as a 501(c)3 in 2001, that first opened its doors for patient care on March 12, 2002. Since opening day, VIM has been able to treat more than 4,000 patients with almost 30,000 cumulative visits, all at no charge. Currently, approximately 500 residents of Cape May County consider VIM their primary care doctor and medical home. The American Academy of Family Physicians reports that having a medical home was associated with better access to care, more preventative screenings, higher quality of care and fewer racial and ethnic disparities. VIM's patients, their families and Cape May County, in general, are healthier as a result of VIM.

To be eligible for service at VIM, one must reside in the County, earn no more than 300% of the Federal Poverty Guidelines (approx. \$46,000 for a couple) and have no usable insurance (deductible > \$2500/year). VIM patients are truly the working poor, dependent on a seasonal economy that offers low pay and no health benefits. VIM patients are our fishermen, chamber maids, bartenders and even real estate agents; they are our neighbors and friends.

VIM patients represent all municipalities of Cape May County with a slightly higher percentage coming from the Wildwoods and Villas. They tend to have chronic conditions such as diabetes, high blood pressure, high cholesterol, etc. - the types of conditions one would expect to see from middle-aged people, who have worked in manual labor and/or service, lived with very low income and a history of limited access to health care.

VIM, with the support of the community at large, assists those who are making a sincere effort to help themselves and their families realize optimum health. VIM's focus is on primary health care, emphasizing disease prevention, health promotion and patient education in an easily accessible facility with the same dignity and confidentiality afforded in the private sector.

VIM's annual budget is about \$300,000. VIM receives no Federal funds, but does receive some support from the County of Cape May and the municipalities of Avalon and Lower Township. The majority of VIM funds come from local charitable groups and individuals. 100% of all funds donated remain within the County of Cape May and more than 85% of all funds go direct to patient care. The cost per patient is about \$500/year (\$95/patient visit).

According to the Congressional Budget Office, even after the Affordable Care Act is fully implemented in 2019, an estimated 23 million Americans will still lack access to health insurance. VIM's patients typically earn too much for Medicaid but not enough to pay premiums, co-pays and deductibles.

The medically underserved in our community struggle daily with the tough choices: choosing between putting food on the table and paying for much needed medications; transportation costs for work or the cost of health care. The staff and volunteers at VIM remain committed to making this choice a little easier.

**Volunteers in Medicine – neighbors caring for neighbors; assurance for the uninsured.**

4. The Party of the First Part agrees to employ the Party of the Second Part to perform the services hereinafter set forth and to make the payments provided for herein during the period of this contract. This contract shall continue to December 31, 2016, unless heretofore terminated by either Party by the giving of thirty (30) days written notice of termination by one Party to the other, addressed to the addresses aforesaid. Party of the second part further agrees that this Agreement may be terminated by the Township immediately "for cause." As used herein, the

term "for cause" shall include, but not be limited to, party of the second part's embezzlement, dishonesty, disloyalty, breach of this Agreement; the continued or repeated failure of inability of party of the second part to perform his duties and responsibilities pursuant to the terms of this Agreement; the commission by the party of the second part of an act of immoral turpitude which has or could have an adverse effect on Township or its business; party of the second part's conviction or plea of nolo contendere to a felony or misdemeanor or if such misdemeanor involves a crime of dishonesty or fraud; the use by party of the second part of drugs or alcohol intemperately; or the commission by the party of the second part of any willful or intentional act causing intentional injury or potential harm to Township; its employees, agents or its business. It is anticipated that there may be large photocopying expenses incurred on a particular project, that party of the second part will discuss same with the Township Manager who will render a decision as to whether a Township employee shall incur the photocopying duties rather than the private firm in order to save costs.

9. The Party of the Second Part shall provide at its own cost and expense proof of the following insurance to the Party of the First Part:

A. Workers' Compensation

Statutory coverage and limits in compliance with the Workers' Compensation Law of the State of New Jersey.

The Party of the First Part shall take no action to cancel or materially change any of the insurance required under this Contract without the Party of the Second Part's prior approval. The maintenance of insurance under this section shall not relieve the Party of the First Part of any liability greater than the limits or scope of the applicable insurance coverage.

10. It is understood and agreed that the Party of the Second Part shall not be construed as an employee of Lower Township for any purpose but as an independent professional contractor for services.

11. The execution of this contract has been authorized on behalf of Lower Township by Resolution No. 2016-32 dated January 4, 2016.
