Fall Soccer Programs Offered in Lower Township

As summer starts to wind down, fall sports are just getting started.

The Lower Township Parks and Recreation Department is offering a fall soccer program for children in kindergarten through sixth grade.

The program is designed to teach children the fundamentals of soccer. Practices will be held during the week according to your child's coach's schedule. Games will be played primarily on Saturday morning with the possibility of some evening games during the week.

Children are recommended to wear cleats and they must wear shin guards to all practices and games. Please bring a drink to all games and practices as well.

Registration will be held August 2 through August 17. For residents: fees are \$15 for one child, \$25 for two children and \$30 for three or more children. For non-residents: fees are \$20 for one child, \$30 for two children and \$35 for three or more children.

When registering, please put the grade that your child will be in for the 2014-2015 school year.

Registration information can be obtained at the Recreation Department's administrative office, which is located in the Recreation Center, behind Township Hall, in the Township of Lower's Municipal Complex at 2600 Bayshore Road. For more information on the Lower Township Recreation Department visit townshipoflower.org or call 609-886-7880 ext. 0.
