### **Volunteer Fire Company Continues Food Drive Through Election Day**

The members of the Erma Volunteer Fire Company are continuing their food drive through Tuesday Nov. 4, Election Day, and asking residents to “cast a can when you cast your vote.”

Residents whose polling place is the Erma Volunteer Firehouse, which is located at 415 Breakwater Road, can bring nonperishable food items with them to the polls.

With the help of the local community, members of the Erma Volunteer Fire Company held a successful food drive on Nov. 1 and Nov. 2 with 31 boxes of nonperishable food, toiletries and pet food donated.

The food and toiletries were distributed to the food pantries run by the Seashore Church of the Nazarene and the Lower Township Rescue Squad. Pet food donations were given to the Cape May County Animal Shelter.
