Cape May Maritime Museum: Migratory Monarch Butterfly Habitat Project

May 2, 2016

Maritime Museum's Migratory Monarch Butterfly Habitat Project

The Cape May Maritime Museum is Partnering with the NJ DEP F&W, Rutgers's University Master Gardeners, Cape May County MUA, Local Boy Scout Troop #87, Cape May Audubon Society, Sunset Beach Gift Shop and other local support groups to create a Migratory Monarch Butterfly Habitat. The Habitat will be located just east of the new parking lot at Sunset Beach.

Migratory Monarch Butterfly Habitat: Vision

Vision:

“... If we are successful getting goldenrod established in this area it will create quite a wildlife spectacle during the fall butterfly migration.”

Dave Golden, NJ DEP F&W Chief

Photo by Sandy Maloney

Migratory Monarch Butterfly Habitat: Design

Design: The Rutgers's University Master Gardeners, headed by Evelyn Lovitz volunteered to design the gardens. They recommended the Habitat be developed in Phases to mitigate risk. **Phase I:** Mr. Joseph Rizzuto, Cape May County MUA Executive Director championed the successful donation of 120 cu yds the Terragro Topsoil recommended by the Master Gardeners. Mitchell Nichols Excavation delivered the topsoil. Jason Hearon, DEP F&W Superintendent provided the grading. Councilman Tom Conrad's Boy Scout Troop #87 will assist with the planting. Larry & Michelle Hume and the Sportsman's Club have volunteered to assist with the irrigation.

Migratory Monarch Butterfly Habitat: Benefit

Benefit: The Migratory Monarch Butterfly Habitat and Nature Trail will be open to all community members and visitors for current and future generations. It promises to help sustain the Monarch's on their 3,000 mile fall migration trek.

The population of Monarchs has been dwindling in what is believed to be in part by the reduced number of habitats along the gateway.

Education: The Cape May Point Bird Observatory's Monarch Monitoring Project, lead by Mark Garland, have been invited to set up kiosks during the fall migratory period. Field trips for local elementary students will be available to demonstrate tagging and explain the biology of the Monarch.

NARRATIVE DESCRIPTION OF PROJECT

I agree to the Terms and Conditions found below.*

Problem Statement:

The most effective device for preventing deaths and injuries in motor vehicle crashes remains the seat belt. When used consistently, seat belts save lives and reduce serious injuries. According to NHTSA, seat belt use saved more than 12,000 lives nationally in 2012 alone, the most recent year for which this data is available. In 2014, New Jersey experienced more than 4,000 crashes where an occupant was not wearing his or her seat belt, resulting in 112 fatalities. Unbelted motorists and passengers accounted for 21 percent of the state's motor vehicle fatalities in 2014. The most recent statewide survey, undertaken in June, 2015, determined the seat belt usage rate in New Jersey to be 91.36%.

This project will provide funding to implement a targeted seat belt enforcement campaign in New Jersey as part of the nationwide "Click It or Ticket" seat belt mobilization from May 23 - June 5, 2016. On an overtime basis, police officers will conduct special enforcement patrols issuing summonses for all violations of Title 39 of the Motor Vehicle Code. The main focus of these patrols will be to stop and issue summonses to motorists, front, and rear seat passengers who are not complying with the state's seat belt laws. Officers will also enforce the child safety restraint law as appropriate.

Objectives:

To increase seat belt usage statewide by 1.5% to 93% through a targeted two-week seat belt enforcement campaign from May 23 - June 5, 2016.

Methodology:

REMINDERAs per directives from the National Highway Traffic Safety Administration (which provides the federal funding for this grant) Chiefs of Police are not eligible to work grant-funded overtime through this grant.****

This federally-funded grant project consists of an enforcement overtime campaign from **May 23 - June 5, 2016**. The project is designed to increase seat belt usage both in participating municipalities and statewide. The grant (\$5,000) will pay for 100 hours of overtime enforcement during the two-week mobilization period, with a maximum rate to be reimbursed of \$50 per hour.

The grant also requires that 20 of the 100 enforcement overtime hours be worked in the evening between the hours of 8 pm - midnight.

This is a reimbursement grant. Participating departments will incur all costs and then submit the necessary documentation to the Division of Highway Traffic Safety for reimbursement. Reimbursement requests will be submitted through the SAGE system.

This is an enforcement campaign. A reasonable number of seat belt summonses are expected in relation to overtime hours worked.

The maximum project overtime rate is \$50.00 per hour regardless of what officer works the project hours. The officer is to receive the full dollar amount in overtime. Administrative costs or fees should be considered "in kind services" or soft matches and are not a part of this grant. It is up to the agency to establish its pay rate for the project. The Division encourages agencies to pay all participating officers a flat \$50 per hour rate for this overtime detail, but agencies may pay their usual overtime rates, if they wish, in which case the reimbursement from the Division will be:

Officers paid \$50.00 - project will reimburse at \$50.00 per hour

Officers paid less than \$50.00 - project will reimburse at that lower rate

Officers paid more than \$50.00 - project will reimburse at \$50.00 per hour with the municipality covering the remainder of the rate

Again, the maximum hourly rate to be reimbursed is \$50 per hour, regardless of whether all the grant-budgeted hours are worked or not.

This is an enforcement campaign. A reasonable number of impaired driving arrests and other summonses are expected in relation to overtime hours worked. Overtime activities can only be conducted within the dates of the project period and must be conducted between the hours of 8 pm and 4 am.

All grantees are expected to conform to the established "Law Enforcement Performance/Productivity Standards for Federally Funded NJDHTS Grants."

The maximum project overtime rate is \$50.00 per hour regardless of what officer works the project hours. The officer is to receive the full dollar amount in overtime. Administrative costs or fees should be considered "in kind services" or soft matches and are not a part of this grant. It is up to the agency to establish its pay rate for the project. The Division encourages agencies to pay all participating officers a flat \$50 per hour rate for this overtime detail, but agencies may pay their usual overtime rates, if they wish, in which case the reimbursement from the Division will be:

Officers paid \$50.00 - project will reimburse at \$50.00 per hour

Officers paid less than \$50.00 - project will reimburse at that lower rate

Officers paid more than \$50.00 - project will reimburse at \$50.00 per hour with the municipality covering the remainder of the rate

Again, the maximum hourly rate to be reimbursed is \$50 per hour, regardless of whether all the grant-budgeted hours are worked or not.

Director of Parks and Recreation
Township of Lower
2600 Bayshore Road
Villas, NJ 08251 (Via Fax (609) 886-7838) (Via Email: recreation@townshipoflower.org)

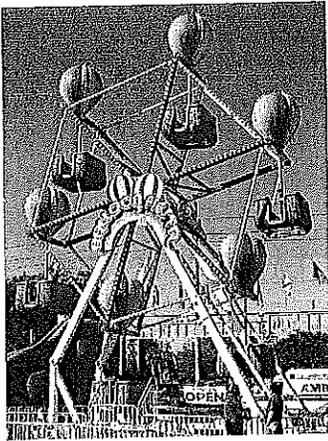

Dear Mr. Plenn:

Thank you for your continued interest in Wizards. As you know, we have contributed to outstanding events for more than 22 years. Our credits include Family Day Celebrations for Armstrong, Hanover Brands, and IBM - Mini-State Fairs for up to 15,000 people including main stage & children's entertainment, fun foods, games, amusement rides and tenting.

Because we own and operate our own shows, games, carnival rides and attractions, we offer real value. Our one-stop shopping approach makes event planning a lot easier.

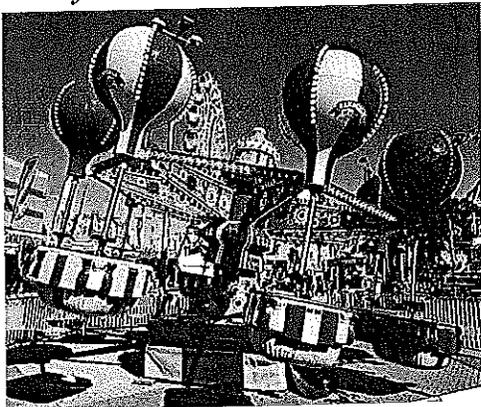

We propose to provide the following full-size Amusement Rides for your event on Sunday, July 3, 2015!

- ***NEW Gondola Balloon Ferris Wheel.***

Aim high with the favorite attraction at fairs, festivals, and theme parks across the US. Our beautiful new Balloon Gondola Ferris Wheel is flashy, durable and, of course, absolutely thrilling. It's a sure winner as the 40' tall Grand Entrance to the 2016 Lower Township Independence Day Festival.

- ***Sky Chaser Balloons.***

Whirling its way into every Midway, the Sky Chaser Balloon ride is a perfect family attraction. Brightly outfitted with colorful spinning passenger compartment baskets and flashing lights on the balloons, sweep arms and centerpiece, the eight hot-air balloons accommodate both adults and children.

- **Spectacular Fun Slide**

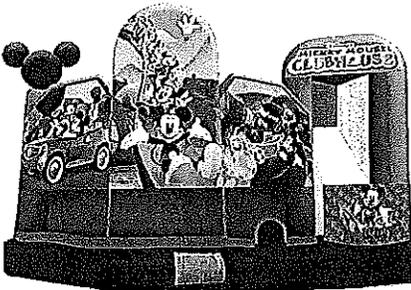

Our Spectacular Fun Giant Slide provides a towering landmark, as well as exciting family slide action for your event.

- **Rally Coast to Coast - Kiddie Car Ride.**

A flashy, raceway themed kid ride that generates lots of repeat rides thanks to a combination of vehicles including fire trucks, beach patrol & USA jeeps, tow truck and sports car.

- **Mickey Mouse Club House Combination Unit.**

Our 5-in-1 Bounce is the ultimate in inflatable jumpers offering a basketball hoop, both log and pop-up obstacles in addition to a climb and an exit slide. Parents have a clear view through the 360-degree mesh sides.

- **One 65KW Three Phase, Sound-Attenuated Generators with NEC Code, UL Approved Power Distribution Systems including four eight-foot ground rods, setup, teardown & fuel.**

All of the above adds up to a memorable, fun-filled package. Our services include detailed rides, uniformed ride crew, *whisper-quiet* power generator, and all advance and day-of-event roundtrip (180 miles) transportation for both personnel and equipment trailers including fuel, tolls, travel pay, and staff travel meals. All Rides are in excellent condition, inspected daily by a NAARSO (National Association of Amusement Ride Safety Officials) Level 2 Ride Inspector and operated in compliance with all New Jersey regulations.

We will operate Sunday, July 3, 2016 from 5 PM until 9 PM. Total cost for providing the Rides outlined above under the terms and conditions outlined above including transportation, set-up and teardown will be \$ 14,500. There will be NO CHARGE to the public to ride. Our terms are NET 10 days. We have at least 5 years of experience providing ride and entertainment packages. We can provide references upon request. We keep a NAARSO Level 2 or greater Certified Ride Maintenance Technician Mechanic on site throughout the event. With respect to our operations, we provide Commercial General Liability \$1,000,000 per incident, Aggregate \$2,000,000; Auto Liability \$1,000,000, and Statutory Workers Compensation. We maintain additional Umbrella GL limits of \$ 2,000,000.

We will provide a General Liability Certificate of Insurance naming Lower Township as additional insured. We will also provide Lower Township a Hold Harmless Certificate applying only to our operations at your event. A nationally certified NAARSO Level 2 ride safety official will inspect all rides the day of the event. All rides will comply with all New Jersey State, Cape May County, and Township of Lower, rules and regulations and have proper permits and licenses displayed. We hold a State of New Jersey Business Registration Certificate. Our operations have always met, and exceeded, MEL JIF requirements.

Since we are committing equipment and attractions that work both indoors and outside, our terms are rain or shine. We strongly advise you to purchase rain insurance from an outside agency. Such insurance can reimburse your expenses, by paying a predetermined amount, if a predetermined amount of rain falls during a predetermined four-hour period, the day of your event whether your event is cancelled or not. Allied Insurance offers rain insurance at reasonable cost. The contact at Allied is Carol Serra, 800-237-3355. You may also want to contact Alexander Freedman, Client Services, Rain Protection Insurance at (800) 528-7975. If desired, at the present time, a July 5 Rain Date is available and can be purchased as a separate event contract at additional cost.

Any additions or changes to our proposal will be provided at extra cost to you. Due to the high demand for all of the above items, we cannot give holds on services. We must continue to solicit business. No dates or services can be reserved and Wizard's cannot accept any obligation to provide any element until we have received a purchase order accompanied with an appropriate deposit. Please respond to this proposal as soon as possible. Please call if you have any questions. My number is (609) 206-5244.

Thank you for your interest. I look forward to contributing to the success of your event.

Sincerely,

Al Belmont

Dear Mayor Beck and Town Council,

I am writing to request reappointment to the Lower Township Recreation Advisory Board. During my tenure I have helped coach the 7th & 8th grade football team, aided in gathering information for an indoor pool, assisted in developing new beach rules and access. However, there is still much to do. I would like to stay and finish the search for soccer fields and anything that can help our community become more involved in our recreation possibilities.

Sincerely,
