The objective also includes reporting on:

Internal control over financial reporting and compliance with the provisions of laws, regulations, contracts and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

If applicable, internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal and state statutes, regulations, and the terms and conditions of federal and state awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and New Jersey OMB 15-08 (if applicable).

The *Government Auditing Standards* report on internal control over financial reporting and compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the Single Audit Act Amendments of 1996, the Provisions of the Uniform Guidance and New Jersey OMB 15-08, if applicable; and the Requirements of Audit promulgated by the New Jersey Division of Local Government Services and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance and New Jersey OMB 15-08, if applicable, and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the Governing Body of the entity. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter paragraphs. Since the entity's financial statements are presented in accordance with the regulatory basis of accounting, our opinion will be adverse for presentation in accordance with accounting principles generally accepted in the United States of America. If our opinion on the financial statements or, if applicable, the Single Audit Act Compliance opinions based on the regulatory basis, is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or to issue a report as a result of this engagement.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An

audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; schedules of expenditures of federal and state award programs, if applicable; federal and state award programs, if applicable; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures—Internal Controls

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance and New Jersey OMB 15-08, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal and state award program, if applicable. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance and New Jersey OMB 15-08, if applicable.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance, and New Jersey OMB 15-08.

Audit Procedures – Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of your compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant

agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance and NJ OMB 15-08 require that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal and state statutes, regulations, and the terms and conditions of federal and state awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the OMB Compliance Supplement and NJ OMB 15-08 for the types of compliance requirements that could have a direct and material effect on each of your major programs, if applicable. The purpose of these procedures will be to express an opinion on your compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance and NJ OMB 15-08.

Other Services

We will also assist in preparing the financial statements, schedules of expenditures of federal and state awards (if required), and related notes of the entity in conformity with the regulatory basis of accounting prescribed by the New Jersey Division of Local Government Services, the Uniform Guidance and NJ OMB 15-08 based on information provided by you. We will also assist in the preparation of the Local Municipal Budget, the Annual Financial Statement and the Annual Debt Statement. These nonaudit services do not constitute an audit under Government Auditing Standards and such services will not be conducted in accordance with Government Auditing Standards. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedules of expenditures of federal and state awards and the related notes, the Local Municipal Budget, the Annual Financial Statement, and the Annual Debt Statement, previously defined. We, in our sole professional judgement, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for (1) designing, implementing, and maintaining effective internal controls, including internal controls over federal and state awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedules of expenditures of federal and state awards, if applicable, and all accompanying information in conformity with the Regulatory Basis of Accounting promulgated by the Division of Local Government Services in the State of New Jersey; and for compliance with applicable laws and regulations (including federal and state statutes), and the provisions of contracts and grant agreements (including award agreements.) Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under Uniform Guidance, (3) additional information that we may request for the purpose of the audit, and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud, affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud,

affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements, or abuse that we report. Additionally, as required by the Uniform Guidance and NJ OMB 15-08, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal and state awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan. The summary schedule of prior audit findings should be available for our review when we begin our field work.

You are responsible for identifying all federal and state awards received, if applicable, and understanding and complying with the compliance requirements and for the preparation of the schedules of expenditures of federal and state awards (including notes and noncash assistance received) in conformity with the Uniform Guidance and NJ OMB 15-08. You agree to include our report on the schedules of expenditures of federal and state awards in any document that contains and indicates that we have reported on the schedules of expenditures of federal and state awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal and state awards that includes our report thereon or make the audited financial statements readily available to intended users of the schedules of expenditures of federal and state awards no later than the date the schedules of expenditures of federal and state awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedules of expenditures of federal and state awards in accordance with the Uniform Guidance and New Jersey OMB 15-08; (2) you believe the schedules of expenditures of federal and state awards, including its form and content, are fairly presented in accordance with the Uniform Guidance and New Jersey OMB 15-08; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedules of expenditures of federal and state awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with the regulatory basis of accounting prescribed by the NJ Division of Local Government Services. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon, or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with the New Jersey Regulatory Basis of Accounting; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with the New Jersey Regulatory Basis of Accounting; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information. With regard to using the auditor's report, you understand that you must obtain our prior written consent to reproduce or use our report in bond offering official statements or other documents. With regard to the electronic dissemination of audited financial statements, including statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

You agree to assume all management responsibilities relating to the financial statements, schedules of expenditures of federal and state awards, if applicable, related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedules

of expenditures of federal and state awards, and related notes and that you have reviewed and approved the financial statements, schedules of expenditures of federal and state awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the non-audit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We understand that your employees will provide all documentation we request and information selected by us for testing.

At the conclusion of the engagement, if applicable, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the Federal Audit Clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audits.

We will provide copies of our reports to the Municipality and the Division of Local Government Services, however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Ford, Scott & Associates, L.L.C. and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals, will be made available upon request and in a timely manner to a regulatory agency or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Ford, Scott & Associates, L.L.C. personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Municipality. If we are aware that a federal or state awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Leon P. Costello is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, will not exceed \$40,000. In addition, we will bill separately at our standard hourly rates for any additional services requested by the Township of Lower. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

We will also be involved with any Bond Issues or Note Sales by assisting in the compilation of necessary data. In addition, you are responsible for all secondary market disclosure, but we will assist you in compiling the necessary statistical data.

Fees for Bond Issue, Note Sales and secondary market disclosure will be billed in addition to the agreed engagement fee stated above.

If we are to provide any services outside of the scope of this engagement, we must emphasize that you are responsible for management decisions and functions, and for designating a competent employee to oversee any other services we provide. You are responsible for evaluating the adequacy and results of any services performed and accepting responsibility for such services. You are also responsible for establishing and maintaining internal controls, including monitoring ongoing activities. You have requested that we provide you with a copy of our most recent external peer review report and any subsequent peer review reports received during the contract period. Accordingly, our 2016 peer review report accompanies this letter.

We appreciate the opportunity to be of service to the Township of Lower and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

**BOND COUNSEL SERVICES
A G R E E M E N T**

THIS AGREEMENT, made as of this 3rd day of January, 2018, between the TOWNSHIP OF LOWER, a body politic of the State of New Jersey, herein designated as the "Township", party of the first part, and ARCHER & GREINER, P.C., Attorneys at Law with offices at 10 Highway 35, Red Bank, New Jersey, hereinafter designated as "Bond Counsel", party of the second part:

WITNESSETH:

1. The Township desires to authorize and to issue its bonds for various capital projects and to provide for the terms and the security of such bonds in accordance with the laws of the State of New Jersey. The Township desires to finance such capital projects through temporary and permanent obligations at the most advantageous terms available to it.

2. Bond Counsel, in consideration of the making and the signing of the within Agreement, agrees to render the following services:

A. Bond Counsel will prepare or review all bond ordinances adopted or to be adopted by the governing body.

B. Bond Counsel will assemble a certified record of proceedings to evidence the proper adoption of each bond ordinance in accordance with the provisions of the Local Bond Law and other applicable New Jersey Statutes.

C. When the Township determines to issue bonds, Bond Counsel will prepare the necessary resolutions or other operative documents authorizing the bond sale. Bond Counsel will seek the advice of the Auditor in connection with the appropriate maturity schedule for the bonds to be sold. Bond Counsel will coordinate the printing and the distribution of the Official Statement to those financial institutions that customarily submit bids for new issues of New Jersey municipal bonds of that type. It will arrange for the printing of the notice of sale in The Bond Buyer and in the local newspaper, as required by law, and will answer inquiries made by the investment community concerning the bond sale. Bond Counsel will attend the bond sale and will render legal advice as necessary concerning the submission of bids for the bonds in accordance with the notice of sale and the requirements of law. After the bond sale, Bond Counsel will prepare the bonds for execution, will prepare and see to the execution of the necessary closing certificates and will establish the time and the place for the delivery of the bonds to the successful bidder. Bond Counsel will attend the closing with the appropriate officials, at which time the bonds will be delivered, payment will be made for the bonds, and Bond Counsel will issue a final approving legal opinion with respect to the validity of the bonds.

D. When the Township determines to issue bond anticipation notes or tax anticipation notes, Bond Counsel will prepare any necessary resolutions to authorize the sale of such notes.

When the purchaser and the details of the notes have been determined, Bond Counsel will prepare the notes for execution and will prepare the appropriate closing certificates and an approving legal opinion with respect to the notes. Unless requested otherwise, Bond Counsel will forward the notes, closing papers and approving legal opinion to the Township Attorney for execution and delivery.

E. Bond Counsel will provide basic advice in regard to the effect of the federal arbitrage regulations on the issuance of bonds or bond anticipation notes and the investment of the proceeds thereof.

F. Bond Counsel will provide other legal advice requested by the Township, provided such advice is within the legal expertise of Bond Counsel's law firm.

G. Bond Counsel will prepare, review and distribute the Preliminary and Final Official Statements in connection with any bond or note financing.

H. Bond Counsel will provide legal services, prepare the necessary documentation and review and comment upon all documents in connection with any capital equipment lease financing or pooled loan financing undertaken by the Township.

I. Bond Counsel will provide legal services listed in the Township's solicitation of qualifications, which are incorporated herein by this reference.

3. The Township will make payment to Bond Counsel for services rendered in accordance with the following schedule:

A. For services rendered or in connection with each bond sale, a fee of \$3,500, plus \$1.00 per thousand dollars of bonds issued. Time relating to the review of the Official Statement, the continuing disclosure document or other disclosure document will be billed at the hourly rates described in Section 3F below.

B. For services rendered in connection with the preparation of each bond ordinance, a fee of \$400 for each single purpose ordinance and \$550 for each multipurpose ordinance. If the preparation of the ordinance involves consultations, meetings or discussions that are out of the ordinary, that is, services that are not described in Section 2 hereof such as attendance at meetings, attention to litigation or other matters described in Section 3F, there will be additional fees to be charged at the hourly rates of the attorneys in effect at the time of providing the services. The fees for services in connection with the ordinances will be charged periodically during the course of the year.

C. The fee for any temporary financing involving a private placement and not involving numerous notes, preparation of an Official Statement, complicated arbitrage analysis, investment yield restrictions or attendance at the closing shall be \$1,000.00 for Bond Counsel's approving legal opinion in connection with such a financing and \$.50 per thousand dollars of bond or tax anticipation notes or emergency notes issued. If additional services are required, such as with issues involving advance refundings or the combination of numerous

ordinances, the additional time required will be billed at the hourly rates in effect when the services are performed.

D. In the event that a Letter of Credit or similar credit enhancement facility is used in connection with either a bond or note issue, an additional fee based on the responsibility assumed and time involved will be billed at the hourly rates described in Section 3F below.

E. In the event of a bond issue providing for an escrow agreement and an investment of the proceeds consistent with the restrictions of the Internal Revenue Code to provide for the payment of a prior issue of bonds, there will be a fee of \$5,000 in addition to the fees described herein.

F. Services rendered beyond the scope of those described above will be billed at the hourly rates in effect when the services are rendered. The present hourly rates range from \$75 to \$150 per hour depending on the paralegal or attorney involved. Such services include, but are not limited to, attendance at meetings, work involved in the preparation or review of the Official Statement and a continuing disclosure agreement, if applicable, for a bond sale or the review or the preparation of an Official Statement and a continuing disclosure agreement, if applicable, for a bond anticipation note sale, diligence for a bond ordinance, review of authorization proceedings for a bond ordinance, preparation of prequalification packages for bond insurance, preparation of a rating agency package, analysis of any credit enhancement facility, the preparation or review of a Local Finance Board application, attention to or services rendered with regard to any litigation that may occur or any legal question posed by the Township, tax work, complicated arbitrage analysis or applications to the Federal Reserve Bank for investments of bond or note proceeds in State and Local Government Series federal obligations and legal services, the preparation of the necessary documentation and reviewing and commenting upon all documentation in connection with any capital equipment lease financing, pooled loan financing or federal or state department/agency/authority financing undertaken by the Township.

G. In the event that a bond sale is held but all bids are rejected or the sale is cancelled, or this Agreement is terminated prior to the sale of bonds, the fee to be charged shall be a reasonable one, based on the services performed.

H. Customary at-cost disbursements shall be added to the fees referred to in this Agreement. These may include photocopying, express or overnight delivery charges and postage costs, newspaper publication costs and the costs of printing official statements, travel expenses, telecommunications, filing fees, book binding, messenger service or other costs advanced on behalf of the Township.

I. This Agreement shall be in full force and effect until such time as either party gives written notice to the other of termination.

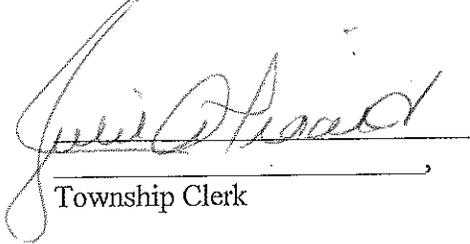

4. Bond Counsel and the Township hereby incorporate into this contract the mandatory language of Subsection 3.4(a) and the mandatory language of Section 5.3 of the Regulations promulgated by the Treasurer of the State of New Jersey pursuant to P.L. 1975, c. 127, as

amended and supplemented from time to time, and Bond Counsel agrees to comply fully with the terms, the provisions and the conditions of Subsection 3.4(a) and of Section 5.3, provided that Subsection 3.4(a) shall be applied subject to the terms of Subsection 3.4(d) of the Regulations.

IN WITNESS WHEREOF, the TOWNSHIP OF LOWER has caused this Agreement to be duly executed by its proper officers and has caused its corporate seal to be hereto affixed, and Bond Counsel has caused this Agreement to be duly executed by the proper party as of the day and year first above written.

For other Services Work Orders specifying the specific professional engineering services required will be issued hereunder from time to time by the CLIENT and will be mutually agreed by the CLIENT and the ENGINEER. These Work Orders may be in the form annexed hereto as Exhibit A, Attachment 1. However, no particular

formality is required for Work Orders and they may take the form of ordinary letters or oral directives from the CLIENT. All the terms and conditions of this Agreement shall apply to each Work Order as if set forth at length therein.

d. No Work Orders shall be issued unless funds have been appropriated for this purpose and duly committed to this Agreement. Each Work Order shall contain a certificate, from the CLIENT's authorized representative, of the availability of funds for this purpose and shall be accompanied by a certified copy of the CLIENT's Resolution authorizing the Work.

e. ENGINEER is retained as an independent contractor and not as an employee of the CLIENT.

f. ENGINEER shall be responsible to CLIENT for ENGINEER's negligent acts, errors or omissions in the performance of its professional engineering services and those of its subcontractors, agents and employees. However, ENGINEER shall not be responsible for any other persons, including but not limited to the agents, employees and contractors of CLIENT. **ENGINEER'S SERVICES SHALL NOT BE SUBJECT TO ANY EXPRESS OR IMPLIED WARRANTIES WHATSOEVER.**

SECTION 2 - ADDITIONAL SERVICES OF ENGINEER

a. If authorized in writing by CLIENT and agreed to in writing by ENGINEER, ENGINEER shall furnish or obtain from others Additional Services which will be paid for by CLIENT as indicated in Section 5. The following shall be Additional Services:

b. Services resulting from significant changes in the extent of the orders issued by the CLIENT or changes requested by CLIENT.

c. Additional or extended services made necessary by prolongation of the services ordered or acceleration of the ENGINEER's progress schedule.

d. Services after completion of the Work ordered -- Preparing to serve or serving as a consultant or witness (either expert or factual) for CLIENT in any arbitration, litigation, public hearing or other legal or administrative proceeding involving the Work.

e. Services normally furnished by CLIENT or other services not otherwise provided for in this Agreement and the Work Orders issued hereunder.

SECTION 3 - CLIENT'S RESPONSIBILITIES

CLIENT shall:

a. Provide all criteria and full information as to CLIENT's requirements for the services.

b. Assist ENGINEER by placing at his disposal all available information pertinent to the services including previous reports and any other data relative to the Work.

c. Arrange for access to and make all provisions for ENGINEER to enter upon public and private property as required for ENGINEER to perform his services.

d. Examine all studies, reports, sketches and other documents presented by ENGINEER, obtain advice of an attorney, insurance counselor and other consultants as CLIENT deems appropriate for such examination, within a reasonable time so as not to delay the services of ENGINEER.

e. Designate in writing a person to act as CLIENT'S representative with respect to the services to be rendered under this Agreement. Such person shall have complete authority to transmit instructions, receive information, interpret and define CLIENT'S policies and make decisions with respect to the Work.

f. Give prompt written notice to ENGINEER whenever CLIENT observes or otherwise becomes aware of any development that affects the scope or timing of ENGINEER's services or any alleged defect or non-conformity in the work of the ENGINEER.

g. Furnish or request ENGINEER to provide necessary Additional Services as required for the Work.

h. Provide all record-keeping and file all reports required to comply with the CLIENT's legal responsibility.

SECTION 4 - PERIOD OF SERVICE

a. The provisions of this Section 4 and the various rates of compensation for

ENGINEER's services provided for elsewhere in this Agreement have been agreed to in anticipation of the orderly and continuous progress of the services through completion.

b. If there are material modifications or changes in the extent of the services or in the time of performance of ENGINEER's services, the various rates of compensation and the time of completion of the services shall be equitably adjusted appropriately.

c. This Agreement shall cover the period from January 1, 2018, through December 31, 2018.

SECTION 5 - PAYMENTS TO ENGINEER

a. CLIENT shall pay ENGINEER for Basic Services rendered on a time and materials basis under ENGINEER's 2018 Rate Schedule, attached hereto as Exhibit B.

b. A not to exceed amount shall be established by mutual agreement for each work order.

c. The not to exceed amount shall not be exceeded without the express written authorization of CLIENT. If at any time the ENGINEER determines that, without the fault of the ENGINEER, the not to exceed amount will not be sufficient to complete the services, he shall give notice of the same to the CLIENT, accompanied by his estimate of the additional funding necessary to complete such services, whereupon the CLIENT shall have the option of either providing the additional funds necessary for the completion of the services (in which case the Work Order shall be amended by mutual agreement to set forth the additional amounts) or reducing the further services to be provided by the ENGINEER consistent with the remaining funds in the not to exceed amount (in which case the Work Order shall be amended by mutual agreement to set forth the revised scope of work).

d. For Additional Services. CLIENT shall pay ENGINEER for additional Services rendered under Section 2 as follows:

e. For Additional Services rendered under Section 2(a) on the basis of ENGINEER's Hourly Rate Schedule in effect at the time the services are rendered, and the actual hours of services rendered by any employees assigned to the Project. The ENGINEER may also be contracted and paid on a lump sum basis for specific projects, as agreed upon by the CLIENT.

f. Special Consultants. For services and reimbursable expenses of special consultants employed by ENGINEER, the amount billed therefore times a factor of 1.10.

g. For Reimbursable Expenses. In addition to payments provided for in Paragraph 5(d), CLIENT shall pay ENGINEER the actual costs of all Reimbursable Expenses incurred in connection with Additional Services during the project.

h. The terms ENGINEER's Hourly Rate Schedule and Reimbursable Expenses shall have the meanings assigned to them in Paragraph 5(l) hereinafter.

i. Times of Payments -- ENGINEER shall submit monthly statements for Basic and Additional Services rendered (based upon a time and materials summary or percent complete for projects contracted on a lump sum basis) and for Reimbursable Expenses incurred. CLIENT shall make prompt monthly payments in response to ENGINEER's monthly statements.

j. Other Provisions Concerning Payments If CLIENT fails to make any payment due ENGINEER for services and expenses within thirty (30) days after the date of the ENGINEER's bill therefor, the amounts due ENGINEER shall include a charge at the rate of 1 1/2% per month from said thirtieth day, and in addition, ENGINEER may, after giving

seven (7) days' written notice to CLIENT, suspend services under this Agreement until he has been paid in full all amounts due him for services and Reimbursable Expenses.

k. In the event of a termination under paragraph 6(a) of this Agreement, ENGINEER will be paid for all unpaid Basic Services, Additional Services and unpaid Reimbursable Expenses, to the date of termination.

l. **Reimbursable Expenses.** Reimbursable Expenses mean the actual expenses incurred directly or indirectly in connection with the Project for: transportation and subsistence incidental thereto; telephone calls and telegrams; postage and delivery charges; photographic and photocopying expenses; and reproduction of reports, drawings, specifications, and other Work-related items as are set forth in the "Expenses" Schedule of Exhibit B.

m. ENGINEER's Hourly Rate Schedule. ENGINEER's 2018 Rate Schedule is set forth in Exhibit B.

SECTION 6 - GENERAL PROVISIONS

a. **Termination** -- Either the CLIENT or the ENGINEER may terminate this Agreement without advance notice and effective immediately for cause which, on the part of the ENGINEER shall be for breach of the terms and conditions of this Agreement, and, on the part of the CLIENT, shall be for failure to make the payments under the terms of this Agreement; or, otherwise, with or without cause, upon ten (10) days advance written notice to the other party.

b. **Reuse of Documents** -- All documents prepared and delivered by ENGINEER pursuant to this Agreement are instruments of service in respect of the Work ordered. They are not intended or represented to be suitable for reuse by CLIENT or others on extensions of the Work or on any other project. CLIENT shall not reuse said documents without the

express written consent of ENGINEER. Any such reuse shall be at the sole risk of the CLIENT.

c. **Project Records** -- As used in this Agreement, the term, "Records", shall include plans, reports, documents, field notes, work product, or other items generated or obtained for the Project by ENGINEER. Only original signed and sealed documents and drawings shall constitute Records. Unsigned or unsealed copies, prints, CADD files, computer programs, magnetic deliverables and/or any other media shall not be considered Records. If there is a discrepancy between the signed and sealed Records and any other documents or drawings, the Records shall prevail.

d. Records which are instruments of service deliverable under this Agreement shall become the property of the CLIENT upon payment for all the Work. Originals of Records shall remain in the possession of the ENGINEER. The CLIENT shall be entitled to additional copies of all Records within a reasonable period of time after forwarding a written request to the ENGINEER, provided that the CLIENT has paid the ENGINEER for all the Work. ENGINEER shall be compensated for the reasonable costs of research and reproduction of the additional copies of the requested Records.

e. This Agreement is to be governed by the laws of the State in which the services are to be performed.

f. CLIENT and ENGINEER each binds himself and his partners, successors, executors, administrators, assigns and legal representatives to the other party to this Agreement and to the successors, executors, administrators, assigns and legal representatives of such other party, in respect to all covenants, agreements and obligations of this Agreement.

g. Neither CLIENT nor ENGINEER shall assign this Agreement without the express

written consent of the other, except as stated in Paragraph 6(f) and except to the extent that the effect of this limitation may be restricted by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. Nothing contained in this paragraph shall prevent ENGINEER from employing such independent consultants, associates and subcontractors as he may deem appropriate to assist him in the performance of the Work hereunder.

h. Nothing in this Agreement shall be construed to give any rights or benefits hereunder to any one other than CLIENT and ENGINEER.

i. Estimates of Cost -- Since ENGINEER has no control over the cost of labor, materials or equipment, or over contractor(s) methods of determining prices, or over competitive bidding or market conditions, his opinions of estimated Project cost or construction cost are to be made on the basis of his experience and qualifications and represent his professional judgment as an engineer, but ENGINEER cannot and does not guarantee that such cost will not vary from opinions of estimated cost prepared by him.

j. Notwithstanding anything else to the contrary herein, the liability of either party to the other under this Agreement (whether by reason of breach of contract, tort or otherwise, including under any applicable indemnification provisions) shall be limited to the greater of: (a) the amount of professional service fees paid to the ENGINEER under this Agreement; or (b) the amount of liability insurance posted by the CLIENT at the time of execution of this Agreement. ENGINEER and the CLIENT hereby waive their respective rights to any and all claims against each other for special, indirect or consequential damages.

SECTION 7 - EXHIBITS AND SPECIAL PROVISIONS

- e. Insurance -- ENGINEER shall carry the following insurance during the performance of its services and shall provide certificates of insurance evidencing its coverage, prior to starting the Work. The certificates of insurance shall provide for advance notice to the CLIENT of any subsequent modification or cancellation of the coverages.

SECTION 8 - ENTIRE AGREEMENT

This Agreement (consisting of Pages 1 to 6, inclusive), together with the Exhibits identified in Section 7 above), constitutes the entire agreement between CLIENT and ENGINEER and supersedes all prior written or oral understandings. This Agreement and said Exhibit may only be amended, supplemented, modified or cancelled by the terms of a mutually agreed written instrument. In case of any inconsistency between the terms of a Work Order and this Agreement, the terms of this Agreement shall prevail, unless the terms of the Work Order expressly provide that the terms of the Work Order are to prevail.
