New Business

Dave Perry spoke about Beach Drive and beach access, and inquired about the DEP permits and regulations related to beach access. He said that he received emails that stated that the township was looking to make beach drive commercialized which was unfounded and untrue. He stated that this project should keep the safety of pedestrians, and first responders in mind.

Old Business

1. Pool Discussion- Waiting for hard copy draft from Rob for RAB review. Bruce will be going to look at 3 facilities and acquire numbers.
2. Soccer field- Dave Golden and DEP have application and layout of Bennetts for review and should be back in contact next week.
3. Kaboom- Signs were installed at Carol and RTE 9, and North end of Villas. Mitch, Bruce and David will communicate for additional funding. They will review target areas. The township will come up with target areas for Playful Cities projects. Board agreed to recertify for 2016.

Superintendents Report

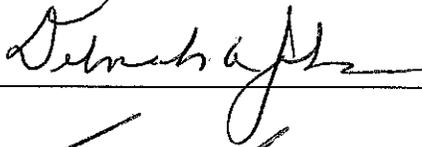

1. Updates were given on football program, cheerleading program, fall soccer, all programs and activities, upgrades to recreation center and all facilities. Update on special events for October.
