Motion to Accept- Lonnie Bedell Jr Second- Bruce Fournier

All in agreement/Approved

**New Business: 1) Beach Path Upgrades:**

Steve met with Jim regarding long term maintenance of paths. My require fence and/or gravel to better delineate path. Beach walk is steep, possibly do away with "roll outs." At the very least, upgrade Lincoln Blvd. for this summer. Replace old system.

**Old Business:**

- 1) Pool discussion: Rob condensed all reports into one. Having a little difficulty with formatting but should be able to wrap it up this week. Rob will finish and email to RAB.
- 2) Status of Rec Bathrooms: Second phase ADA underway to include new doors into gym, concrete work. Mitch has copy of complete plans. ADA b/r should be complete by September at which point they will begin b/r on opposite side. Playground

upgrades will also be included with this work. A “panel” surface will be installed (similar to the surface of hockey rink) easier for wheelchairs to navigate.

**3)** Playful City: David submitted

**4)** Review 2014 & 2015 Capital Projects from Master Plan: Mitch has full report. Mindy equip has not been replaced. Bidding now to replace hoops at REC and Mulligan. Video equipment at REC is complete. Millman irrigation complete. Sod at Freeman (no work to date) Replace soccer goals JH complete. New windows at concession stand installed, saving a great deal on heating bills.

**Public Comment:**
