

NEWS FROM: The Township of Lower

Press Release – For Immediate Release – November 26, 2014

Thanksgiving Message from Mayor Michael Beck

And so we are grateful for many reasons. For our workforce that keeps the township moving and safe, and who are constantly asked to do more with less; for all our volunteers who fill the void the township cannot; for our veterans and our military, especially those far from home and for our residents, who we on council wish to thank for the opportunity to serve. We have a great town, one that is truly blessed. May the Good Lord above be with all of you this Thanksgiving and throughout the holiday season!
