

Lower Township has Activated and Staffed its Emergency Operations Center

Due to the Deteriorating Weather Conditions from Heavy Snow and Wind, Lower Township has Activated and Staffed its Emergency Operations Center, to monitor Weather and Road Conditions.

All Roads in the Township Municipal, County and State are Snow and Ice covered at this time.

Multiple Motor Vehicle Accidents have been reported throughout Cape May County. Please stay off of the roads if at all possible, to allow access for our First Responders Along with Township, County and State Road Crews.

A Winter Storm Warning remains in effect until 4PM this evening.

Total Snow Accumulations of 6 to 12 Inches are possible.
With Winds Gusting as high as 40 MPH.
