Variance extension

Block: 426.02

Lot: 16

I am looking to extend an expired variance for a property on 115 Sheradain ave in Erma.  
I Robert Salasin am purchasing this property from JTG group llc. On march 2, 2021.  
The current owner let the variance to build on under sized lot expire.  
Your help to extend variance would be greatly appropriated.

Thank you,
