Subject: Grant Award: Summer Shore Safety Enforcement Mobilization

Congratulations!

The Lower Township police department has been awarded a \$7,000 reimbursement grant for a Summer Shore Safety enforcement mobilization, to run between July 1-31, 2025. **The grant funded overtime rate is \$70/hr.**

There are 6 forms that must be completed to qualify for reimbursement.

- Officer Daily Activity Report
- The DHTS F-2 Salary Expenditure Detail Form
- The Payroll Certification In lieu of Payroll Registers letter (CFO)
- The State of New Jersey Payment Voucher (CFO)
- County Standard Invoice
- Project Summary Form

Each officer who works a grant-funded enforcement detail **MUST** complete the **Officer Daily Activity Report** which will include their signature and a supervisor's signature. The data from the daily activity report should then be entered on the **F-2 Salary Expenditure Detail Form** by the date each detail was completed. **Please ensure that the time listed on the Officer Daily Report is the same time listed on the F-2 form and in the same format (military or standard time).** The dates must be in chronological order indicating the earliest detail completed first. Once this is completed and signed it should be given to your municipal CFO.

The CFO will need to total the amount claimed and sign the **Payroll Certification in Lieu of Payroll Registers** letter. The CFO will also need to complete the **State of New Jersey Payment Voucher**.

All completed documents should be scanned and emailed to woltmann_christine@aclink.org at the conclusion of the mobilization.

As a reminder, nothing should be submitted directly to NJDHTS or in the SAGE grant system. The Atlantic-Cape May Regional Highway Traffic Safety Office is sub-granting this funding to you, so all documentation should be returned to us.

Please feel free to reach out to me with any questions. I can be reached via the email above or at (609) 407-6739.

Thank you in advance for your participation.

ARTICLE IV

Miscellaneous

Section 401. **Supplemental Resolutions; Amendment of Supplemental Resolution.** At any time or from time to time, a Supplemental Resolution of the Authority may be adopted for the purpose of supplementing or amending this Supplemental Resolution.

Section 402. **Signing Powers.** The Authority Officers are hereby severally authorized and, after satisfaction of all conditions precedent thereto and after consultation with the professionals working on behalf of the Authority, are hereby severally directed to execute or acknowledge, as the case may be, or cause to be executed or acknowledged such other certificates, notices, instruments, agreements and other documents in such form as the Executive Director, after consultation with the professionals working on behalf of the Authority, shall determine to be necessary, desirable or convenient in order to effect the issuance of NJIB Bonds or any other transaction contemplated hereby and thereby, which respective forms thereof shall be dispositively evidenced by the Authority Officer's execution or acknowledgment, as the case may be, and delivery thereof or with respect to such documents of a party other than the Authority, shall be evidenced by an Authority Officer's execution thereof.

Section 403. **Reimbursement.** The Authority intends to finance the Project with the NJIB Bonds but may pay for certain costs of the Project (the "Project Costs") prior to the issuance of the NJIB Bonds with funds of the Authority that are not borrowed funds. The Authority reasonably expects to reimburse its expenditure of Project Costs paid prior to the issuance of the NJIB Bonds with proceeds of its NJIB Bonds. This resolution is intended to be and hereby is a declaration of the Authority's official intent to reimburse the expenditure of Project Costs paid prior to the issuance of the NJIB Bonds with the proceeds of a borrowing to be incurred by the Authority, in accordance with Treasury Regulations §150-2. The maximum principal amount of the NJIB Bonds expected to be issued to finance the Project is \$7,300,000. The Project Costs to be reimbursed with the proceeds of the NJIB Bonds will be "capital expenditures" in accordance with the meaning of Section 150 of the Code. No reimbursement allocation will employ an "abusive arbitrage device" under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Code. The proceeds of the NJIB Bonds used to reimburse the Authority for Project Costs, or funds corresponding to such amounts, will not be used in a manner that results in the creation of "replacement proceeds", including "sinking funds", "pledged funds" or funds subject to a "negative pledge" (as such terms are defined in Treasury Regulations §1.148-1), of the NJIB Bonds or another issue of debt obligations of the Authority, other than amounts deposited into a "bona fide debt service fund" (as defined in Treasury Regulations §1.148-1). All reimbursement allocations will occur not later than 18 months after the later of (i) the date the expenditure from a source other than the NJIB Bonds is paid, or (ii) the date the Project is "placed in service" (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than 3 years after the expenditure is paid.

Section 404. **Publication and Filings by Board Secretary.** A copy of this Supplemental Resolution shall be available for public inspection at the offices of the Authority. The Board Secretary or Assistant Board Secretary of the Authority is hereby directed to publish a notice of adoption of this Supplemental Resolution in accordance with the provisions of N.J.S.A. 40:14B-

28. The Board Secretary or Assistant Board Secretary of the Authority is hereby further directed to file a certified copy of this Supplemental Resolution in (a) the office of the Clerk of the Township of Lower, New Jersey and (b) the office of Trustee.

Section 405. Effective Date. This Supplemental Resolution shall take effect in accordance with applicable law.

The Chairperson and any other officer of the Authority, and the staff and consultants or professionals of the Authority are hereby authorized and directed to take all actions which are necessary or which are convenient to effectuate the terms of the Project Note Resolution in connection with the issuance, sale and delivery of the 2025 Project Note.

Section 403. Covenant of Authority as to Compliance with Federal Tax Matters. The Authority hereby covenants that it will take all actions within its control that are necessary to assure that interest on the 2025 Project Note is excludable from gross income under the Code and the Authority will refrain from taking any action that would adversely affect the exclusion of interest on the 2025 Project Note from gross income under the provisions of the Code.

Section 404. Reimbursement. The Authority intends to finance the Project with the 2025 Project Notes but may pay for certain costs of the Project (the "Project Costs") prior to the issuance of the 2025 Project Notes with funds of the Authority that are not borrowed funds. The

Authority reasonably expects to reimburse its expenditure of Project Costs paid prior to the issuance of the 2025 Project Notes with proceeds of its 2025 Project Notes. This resolution is intended to be and hereby is a declaration of the Authority's official intent to reimburse the expenditure of Project Costs paid prior to the issuance of the 2025 Project Notes with the proceeds of a borrowing to be incurred by the Authority, in accordance with Treasury Regulations §150-2. The maximum principal amount of the 2025 Project Notes expected to be issued to finance the Project is \$7,300,000. The Project Costs to be reimbursed with the proceeds of the 2025 Project Notes will be "capital expenditures" in accordance with the meaning of Section 150 of the Code. No reimbursement allocation will employ an "abusive arbitrage device" under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Code. The proceeds of the 2025 Project Notes used to reimburse the Authority for Project Costs, or funds corresponding to such amounts, will not be used in a manner that results in the creation of "replacement proceeds", including "sinking funds", "pledged funds" or funds subject to a "negative pledge" (as such terms are defined in Treasury Regulations §1.148-1), of the 2025 Project Notes or another issue of debt obligations of the Authority, other than amounts deposited into a "bona fide debt service fund" (as defined in Treasury Regulations §1.148-1). All reimbursement allocations will occur not later than 18 months after the later of (i) the date the expenditure from a source other than the 2025 Project Notes is paid, or (ii) the date the Project is "placed in service" (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than 3 years after the expenditure is paid.

Section 405. Miscellaneous, Publication and Filings by Board Secretary. A copy of this 2025 Supplemental Resolution shall be available for public inspection at the offices of the Authority. The Board Secretary or Assistant Board Secretary of the Authority is hereby directed to publish a notice of adoption of this 2025 Supplemental Resolution in accordance with the provisions of N.J.S.A. 40:14B-28. The Board Secretary or Assistant Board Secretary of the Authority is hereby further directed to file a certified copy of this 2025 Supplemental Resolution in (a) the office of the Clerk of the Township of Lower, New Jersey and (b) the office of Trustee.

Section 406. Effective Date. This 2025 Supplemental Resolution shall take effect in accordance with applicable law.

Turn The Towns Teal®

A National Awareness Campaign for Ovarian Cancer

Dear Administrator:

Turn The Towns Teal® is a national campaign to create awareness of ovarian cancer, its often subtle symptoms and risk factors. Our ribbons are made in the USA, and our volunteers tie them primarily in town centers and providing stores, churches, health clubs, spas, libraries, etc. with symptom cards and information pertaining to ovarian cancer. We do this in September, which is National Ovarian Cancer Awareness Month. Our volunteers ~ across the USA ~ put the ribbons up on or about September 1st and take them down no later than September 30. This will be our 17th successful year of raising awareness and saving women's lives. Please do visit our website @ www.turnthetownsteal.org to see our campaign at work.

We are pleased and proud of the fact that literally thousands of women, men and children across the USA "Teal" their towns and neighborhoods creating awareness of Ovarian Cancer.

There is **NO** early detection test for ovarian cancer which is why we **NEED** women and men to be aware of the known symptoms and risk factors. If detected in the early stages, the survival rate for ovarian cancer is 90 to 95%, which is why this awareness campaign is so very, very critical.

Thanks to the support of towns & cities like yours, we KNOW for a fact that women's lives ARE being saved through this campaign!
